What new projects could be created to creatively inform EU citizens about European policy and to discuss it with them? (With the speakers)

Plenary (20:10-20:20)

Closing (until 20:30) Outlook & Thank-You!

description.

The Next Generation of Democracy Makers

Sitting on the sofa and discussing Europe with people from across the Continent? Watching MEPs gaming and talking about current affairs? Becoming smarter with easy-to-understand videos on complex EU issues?

Yes, all these things are available, realized by volunteers from across the EU.

Get to know the minds behind those (digital) grass root projects and ask your questions.

With: MEPAssistant, Hoog, Forum Götterfunken, Into Europe and MeetEU

By citizens, with citizens, for citizens – be there and join the discussion!

Götterfunken, chatting on Europe!

Forum Götterfunken (FG) is a discord community for discussion of European and European Union related news, events and studies. We aspire to be a good source of current news, civil discourse and memes.

Hoog, EU-Videos for millions!

A YouTube channel that tries to increase non-pretentious European content that can scale.

MEPAssistant, gaming with MEPS?

A Twitch channel hosted by a former MEP assistant where EU politics becomes understandable and fun. Content ranges from regular interviews with MEPs to EU gaming. Won 3rd place of the 2021 Jean Monnet Prize.

projects.

IntoEUROPE, What's that?

Into Europe is a media platform focusing on slow news that takes place within Europe. With a focus on investigative journalism, it looks into the policy, political and geopolitical stories that are shaping Europe and the European Union to enable people to look beyond the noise of mainstream media.

MeetEU.eu? Tell me more!

MeetEU is a place for Europeans to come together. We talk about what's going on in Europe. We share views and experiences. And we get firsthand information about what people in other EU countries really think. In 2021, we won the second 2nd place of the Jean Monnet Prize
